

COVID SUPPORT

A new program from La Selva's Community Clinic

Uninsured and underinsured individuals that live in Santa Clara County and have been impacted by the pandemic are eligible for free telehealth counseling through La Selva Community Clinic's COVID Support program. This program is also open to uninsured healthcare providers. Services are short-term and available in both English and Spanish.

If you are interested in receiving free telehealth services, please contact Karen to discuss and establish services, if appropriate:

Karen Salas-Caballero (employed by Momentum for Health)
Registered Associate Marriage and Family Therapist: (408) 757-8449
Supervised by a LMFT

LA SELVA GROUP
Premier behavioral health services
